

Why Should I Donate to the South Middlesex Men’s Club (SMMC)?

In tight financial times, many people ask this question. Our answer is that in tight times, there are those who need even more help. With what you can afford, we hope you will support those organizations that have a track record of identifying issues and providing solutions where they can. SMMC has such a record, as you will see from the information that follows. Thank you for your donation!
